Sub: 25th Delhi State Inter School Shooting Competition for MQS

Dear Members,

We wish to inform you that the All India Inter School Shooting Competition is being organized by NRAI at Asansol, West Bengal from 18th – 24th of September 2022 and the last date for submission of entry for this competition is **9th Sep 2022**. This gives us a window of just 9 days to conduct our Delhi State Inter School Shooting Competition, which is a very short notice for organizing a competition, moreover Dr. Karni Singh Shooting Ranges are also not available due to National Junior Shooting Camp.

Under these circumstances we have requested NRAI to accept the scores of the latest Delhi State Shooting Championship as the Minimum Qualifying Score (MQS) and they have agreed to consider the result of 37th DSSC 2022 as MQS for participating in this competition. However there may be some school students who did not shoot in the 37th DSSC NR/ ISSF matches or who could not achieve the required score, hence to give an opportunity to such shooters, DSRA is organizing the **25th Delhi State Inter School Shooting Competition for MQS at Deep Memorial Public School, Ghaziabad, U.P. on 4th & 5th September 2022.**

Participation in this competition is permitted to only those school students who have not achieved the required MQS for participating in the All India Inter School Competition. It is clarified that there will be no ranking / medals for participants in this competition as the sole purpose of this competition is to offer an opportunity to school students to achieve the MQS for participating in the All India Inter School Shooting Competition.

Those who are interested in participating in this competition are requested to go through the following instructions :-

- 1. As per new norms of NRAI, all Delhi domicile school students above 10 years of age, who have registered themselves as shooters of Delhi and applied for NRAI Shooter ID under DELHI are eligible to participate in this competition. It is clarified that Shooters belonging to Delhi who are studying in schools outside Delhi can also participate in this competition. Shooters belonging to other states who are studying in schools located in Delhi are not permitted to participate in this competition as they will need to participate in the Inter School Shooting Competition organized by their home state.**

2. **The scores achieved during this competition in National Rules (NR) Category matches will only be considered as Minimum Qualifying Score (MQS) for participation in the next All India Kumar Surendra Singh Inter School Shooting Championship. The ISSF Matches are only for the shooters who have participated in any ISSF category matches in past, therefore new shooters or those who have not qualified for participating in ISSF category matches should participate in NR category matches only.**
